Clear Google Chrome Browser Cache

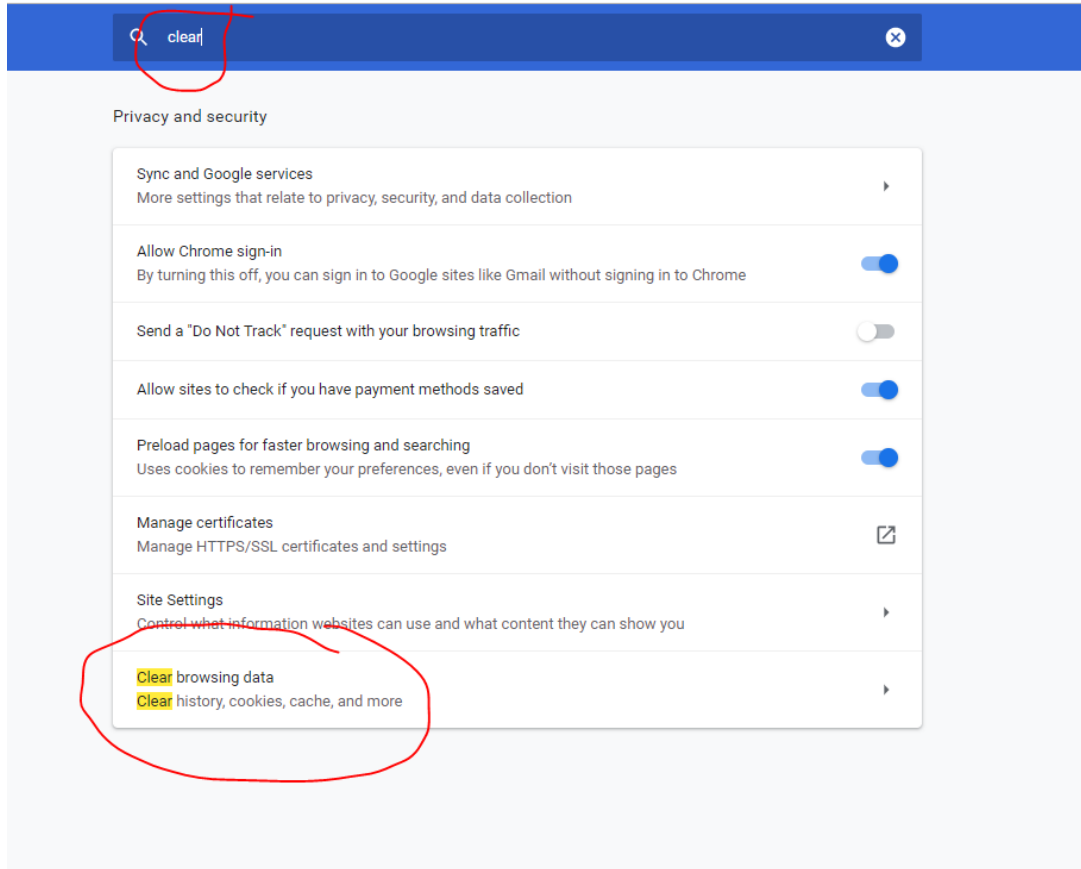

1. While in Chrome, click the 3 dots at the top right of the windows

2. Choose Settings

3. In the settings Window, search for the word "clear" and click on "Clear Browsing Data"

4. In the window that pops up, click on "Clear Data" and that will clear your browser cache.

Clear browsing data

Basic

Advanced

Time range Last hour

- Browsing history
Clears history from all signed-in devices. Your Google Account may have other forms of browsing history at myactivity.google.com.
- Cookies and other site data
Signs you out of most sites. You'll stay signed in to your Google Account so your synced data can be cleared.
- Cached images and files
Frees up less than 229 MB. Some sites may load more slowly on your next visit.
